

Programs Business public livery auto

Specialty Auto products give you a new vehicle to drive sales!

Zurich makes it easy for you to insure vehicles owned or for hire that are engaged in passenger transportation. Common vehicle types for this coverage include buses, limousines (stretch up to 240"), vans, private passenger types, SUVs, trolleys and trams.

Eligible exposures:

- Airport transportation
- Day care
- Church buses
- Contracted child transportation
- Sightseeing and guided tours
- Courtesy buses
- Athlete and entertainer buses
- Van pools
- Intercity and rural bus transportation
- Limousines
- Special needs and nonemergency medical
- Social services (not elsewhere classified)
- Hotel/motel
- Residential care/nursing homes
- Recreation vehicle parks and campsites

Ineligible exposures:

- Vehicles operating as a taxi or affiliated with taxi operation
- Operations using nonowned vehicles
- Short-term leased vehicles
- School transportation
- Charter buses
